The National Organizing Committee kindly invites you to take part in the work of the XXXII International Scientific Symposium "METROLOGY AND METROLOGY ASSURANCE 2022" (XXXII ISS "MMA 2022"), which will be held on September 7 – 11, 2022 in Sozopol town, Bulgaria.

The XXXII International Scientific Symposium "METROLOGY AND METROLOGY ASSURANCE 2022" is a part of "Science Days of TU-Sofia" and it is organized by the Technical University of Sofia - Department "Electrical Measurements" and Department "Precision Engineering and Measurement Instruments" and the Bulgarian Section of IEEE and with the attendance of Bulgarian Institute of Metrology, Union of the Metrologists in Bulgaria, Bulgarian Academic Association of Metrology and Kozloduy Nuclear Power Plant.

The ISS "MMA 2022" will provide insights to the latest achievements in metrology and metrology assurance. Traditional participants are representatives of state and private companies, metrological services, technical universities, licensed laboratories, international and Bulgarian measurement equipment companies.

Topics of interest include, but are not limited to:

- General aspects of metrology. Measurement methods. Unity and accuracy of measurements
- Sensors, transducers and devices for measurement of physical quantities
- Measurement and information systems and technologies
- Measurements in the industry
- Acoustics measurements, vibration measurements and diagnostics
- Measurements in the electrical power engineering
- Measurements in the ecology, biotechnology, medicine, and sport
- Metrology Practice
- Measurement in the humanities and social science
- Quality management and control, standardization, certification, accreditation

All proceedings are reviewed. The best proceedings in the IEEE fields will be submitted to IEEE Xplore & SCOPUS. All the others reviewed proceedings will be published in the Proceedings of XXXII ISS "MMA 2022" in English in printed and electronic form. Extended versions of a number of papers will be published in the Proceedings of the Technical University of Sofia.

The working languages are: English, Bulgarian and Russian. On XXXII ISS "MMA 2022" proceedings can be presented to each of the working languages at the request of the author/s. Translation services will be provided from and into any of the working languages.

The Organizing committee secure the participation of the authors and attendees whose presence in Sozopol could be hindered due to the progress of the COVID-19 pandemic via reliable web-based platform.
